THE NIGHT

THREE HOURS. ONE ROOM. EVERY TRADE YOU HIRE.

Bid day is too late to find out a sub can't staff your job. Builders Night puts you face to face with the trades first: 50+ pre-qualified subs expected, from every trade, and a limited number of builder tables so every one of them gets real time with the room.

WHAT YOUR TEAM GETS

YOUR OWN TABLE

A 6 ft table, 2 chairs and a white tablecloth. You bring your own banner and promo items. Up to 2 people from your team.

TRADES COME TO YOU

Subs work the builder tables during the open floor. Tell them what you're bidding in 2027 and which trades you need.

THE ATTENDEE LIST

Every sub who attended, sorted by trade, with their pre-qual answers. In your inbox within 48 hours.

WHO'S IN THE ROOM

ENOUGH MANPOWER
