

— HOW-TO GUIDE · PROJECT REPORTS

SHOW THE CLIENT THE WORK. EVERY DAY.

Build a report from the job: progress against the schedule of values, photos, tasks, forms and daily reports. Email it once as a PDF, or share a live link your client can check anytime.

THE REPORTS PAGE

REPORTS

ADMIN

Every report you've made for the job, in one list.

01 Filter by **All**, **One-time** or **Live**.

02 Each report shows its **type**, **status** (**active** or **revoked**), who made it and when it was **sent**.

03 The **eye** previews it, the **link** copies the live link, and **:** has the rest.

04 Press **New report** to make another.

Field Operations > Projects > Riverside Water Plant > Reports					
Reports Email a one-time PDF or share a live activity link with your client. ALL ONE-TIME LIVE + New report					
Title	Type	Status	Created	Created by	Sent
Windows Installation report	Live	active	2 months ago	Jake Peters	—
12616	One-time	revoked	5 months ago	Jake Peters	5 months ago
trial	Live	active	5 months ago	Jake Peters	—
Safety for Prairie Build	Live	active	5 months ago	Jake Peters	—

02

TYPE AND WHO GETS IT

NEW REPORT

ADMIN

Pick how it goes out, then who gets it.

- 01 **One-time PDF (email)** builds a PDF and emails it. Photos in the PDF open full size.
- 02 **Live activity link** is one link that stays up to date.
- 03 Add a **Title** and an optional **Description**.
- 04 **Email to:** type an address and press Enter. Add as many as you need.
- 05 **Photo links expire after** 30, 90 or 180 days.

The screenshot shows a web application interface for creating a new report. The breadcrumb navigation at the top reads: Field Operations > Projects > Riverside Water Plant > Reports > New. The main heading is 'New report' with a subtitle 'Pick what to share, then send a one-time PDF or share a live link.' and buttons for 'CANCEL' and 'Next →'. The form is divided into several sections: 1. 'Type' section with two options: 'One-time PDF (email)' (selected, highlighted in dark blue) and 'Live activity link'. A note below states: 'Generates a PDF and emails it. Photos in the PDF link back to full-size views.' 2. 'Email to' section with a subtitle 'Type an email and press Enter. Add as many recipients as you need.' and a text input field labeled 'Recipients'. 3. 'Photo links expire after' section with a subtitle 'Recipients click photo thumbnails to view full-size. Pick how long those links stay alive.' and a dropdown menu currently set to '30 days'. 4. 'Title' and 'Description (optional)' text input fields. 5. 'Date range (optional)' section with a subtitle 'Only include items created within this range. Leave blank for everything.' and two date pickers labeled 'From' and 'To' with the format 'yyyy-mm-dd'. 6. 'SOV Summary' section with a subtitle 'Include a Schedule of Values progress block at the top of the report.' and a toggle switch that is currently turned on.

03

DATE RANGE AND SOV

SOV SUMMARY

ADMIN

Choose the window and the money they see.

- 01 **Date range:** only items from those dates go in. Leave it blank for everything.
- 02 Turn on **SOV Summary** to put a progress block at the top.
- 03 Pick **% complete**, **scheduled value**, **\$ claimed to date**, **\$ remaining** and the **line-by-line breakdown**.

TIP

Without the line-by-line breakdown, your client only sees project totals.

The screenshot shows a web application window titled "SOV Summary". At the top right, there is a toggle switch that is currently turned on. Below the title, a subtitle reads "Include a Schedule of Values progress block at the top of the report." The main area of the window contains a list of checkboxes for selecting data to display:

- ☒ % complete
- ☐ Scheduled value
- ☐ \$ claimed to date
- ☐ \$ remaining
- ☐ Line-by-line breakdown

At the bottom of the list, a small note states: "Without the line-by-line breakdown, only project totals are shown."

04

PHOTOS AND TASKS

PHOTOS • TASKS

ADMIN

Send the whole album or just the shots that matter.

01 **Photos:** pick **By album** or **Individual**. You can mix both.

02 **Tasks:** pick **By status** or **Individual**. You can mix both.

The screenshot shows a web interface with two main sections: 'Photos' and 'Tasks'. Each section has a title, a subtitle, and two buttons: 'BY ALBUM' (highlighted in blue) and 'INDIVIDUAL' (light gray). Below the buttons is a dropdown menu. In the 'Photos' section, the dropdown is labeled 'Albums'. In the 'Tasks' section, the dropdown is labeled 'Statuses'. The interface is clean and modern, with a light gray background and a white border around the content area.

05

FORMS AND DAILY REPORTS

FORMS • DAILY REPORTS

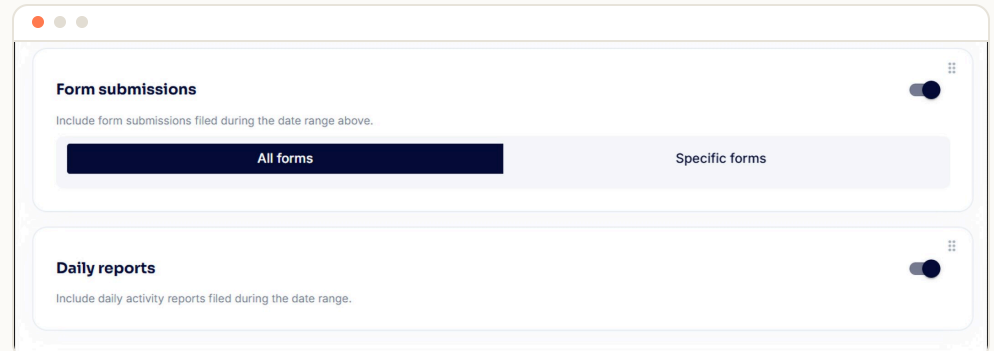

ADMIN

The paperwork, filed and ready.

- 01 **Form submissions:** All forms filed in the date range, or Specific forms only.
- 02 **Daily reports:** every daily report filed in the date range.

TIP

Drag the **grip dots** at the top right of any section to change the order it shows in the report.

06

LOCK THE LIVE LINK

ACCESS

ADMIN

Keep the report for the people you send it to.

- 01 Turn on **Require a 4-digit PIN**. Leave **Auto-generate** on.
- 02 Set the **Link expiry**.
- 03 Your client enters the PIN to open the report.
- 04 Press **Next** and you're done.

TIP Or leave the PIN off and send it as an open link.
